- 3.3 Each district participating in NESC shall submit a resolution indicating their adoption of this Cooperative Educational Services Agreement. Any school district who is not currently a member of NESC and wishes to become a member shall indicate its desire to join by submitting to the President of the NESC Board of Directors a resolution that has been adopted by its Board of Education authorizing membership in NESC and this Agreement. The request for membership must be approved by a majority vote of the NESC Board of Directors. School districts requesting membership will have the option of paying the membership fee, pursuant to Article III 3.4, in full at the time they join or prorated over a three year period with all payments due and payable on or before August 1st of each school year.
- 3.4 The newly admitted school district will be assessed an admittance fee. The fee will be determined by adding the total NESC Capital Asset expenditures minus the accumulated depreciation as of June 30 of the current year of the date of application and the combined total of the undesignated fund balances for the General Fund and Special Education Fund as of June 30 of the current year of the date of application. The sum of depreciated capital assets and undesignated fund balances will be divided by the current grades K-12 student enrollment of the existing Cooperative members to determine the per student cost. The per student cost will be multiplied by the grades K-12 student enrollment of the newly admitted school district as identified in the current year Fall Enrollment Report to the South Dakota Department of Education.

If a current NESC member district completes a reorganization process with a district that is not a member of the Cooperative, the new district shall be assessed an admittance fee. The admittance fee will be determined based on the formula listed herein using the number of students enrolled in grades K-12 as reported on the non-member district's Fall Enrollment Report to the South Dakota Department of Education for the year preceding the first year of the existence of the newly reorganized school district.

- 3.5 A Any member school district wishing to withdraw from the NESC shall deliver to the NESC Board of Directors, prior to February 15th, a resolution of its Board of Education authorizing withdrawal from the NESC. The resolution to withdraw must be approved by a majority vote of the NESC Board of Directors. Termination of membership shall become effective at the end of the school fiscal year in which notice of such withdrawal is given. Any payments due under this agreement shall be paid in full prior to the withdrawal. Any member district withdrawing shall lose any vested rights in any assets held by the NESC and shall no longer be considered a member, provided NESC is not simultaneously dissolving as set forth below.
- **3.5 B** Speech Therapy, Occupational Therapy, Physical Therapy, Early Childhood Special Education, and School Psychologist Services are mandatory participation services for NESC member districts. Member districts cannot withdraw from those services.

All other services are optional to member districts. Any member district wishing to withdraw from an NESC optional service shall deliver to the NESC Board of Directors, prior to February 15th, a resolution of its Board of Education authorizing withdrawal from the service. A copy of the attached Change of Status form must be included. The resolution to withdraw must be approved by a majority vote of the NESC Board of Directors. Termination of the service shall become effective at the end of the school fiscal year in which notice of such withdrawal is given. Any payments due concerning this service shall be paid in full prior to the withdrawal. Member districts withdrawing from a service shall lose all vested rights in any assets held by NESC relating to the service. Item 5.8 of these By-Laws further defines withdrawal from optional services.

Member school districts requesting to participate in any of the optional services for the ensuing school year must notify the NESC Director by June 1 of the preceding school year. An exception will be the Center Base Program, placements will be determined on a case by case basis.

ARTICLE IV

Governance

4.1 The NESC shall be governed by a Board of Directors composed of one voting school board member from each member district. Each local board representative to the NESC governing board and a first and second alternate shall be appointed by the local school board at its annual meeting. In the event that the board representative is unable to attend NESC Board of Directors' meetings, it will be the responsibility of the board member and local school district to notify the first or second alternate to attend in his/her place. In the event that the appointee cannot continue representing the local district, the local school board shall appoint a replacement board member.

- **4.2** For the purpose of holding meetings and conducting business under this agreement, a quorum shall exist if a majority of local district representatives are present. A majority vote of all member districts (and not merely a majority vote of all member districts present at any such meeting) shall be required to conduct all business, unless otherwise specifically stated in these by-laws.
- 4.3 The Board of Directors shall hold its annual meeting in July. The Board of Directors will meet on a monthly basis with such meetings to be held on or about the third Monday of the month. An agenda will be provided to the Board of Directors four (4) days prior to the meeting. Special meetings may be called by the President of the Board of Directors, or in his/her absence, by the Vice President, or a majority of the Board of Directors. Notice of such meetings shall be given by the Business Manager to the board members either orally or in writing in sufficient time to permit their presence.
- 4.4 The Board of Directors shall elect a President and Vice President from its membership and such other officers or agents as are deemed necessary. The responsibility of the Secretary-Treasurer of the Board of Directors may be delegated to the Business Manager whose duties shall include recording Board proceedings, preparing financial statements, and publishing in a newspaper of general circulation, as designated by the Board of Directors, such notices and records of the NESC as are required by law.
- 4.5 The Board of Directors shall be responsible for the administrative and fiscal control of the NESC. The Board shall have the authority to employ all personnel, negotiate terms and conditions of employment and terminate employees as provided by law; to establish policy; to adopt a budget; to approve or disapprove monthly and annual financial reports; to approve or disapprove the payment of claims; to approve or disapprove the record of Board proceedings; and to perform any other business as is deemed necessary.
- 4.6 The Advisory Board shall consist of the Superintendent or Chief Executive Officer of each member school district. The Advisory Board will elect a President from the membership and such other officers or agents as is deemed necessary. The responsibility of the Secretary-Treasurer of the Advisory Board may be delegated to the Business Manager whose duties shall be as stated in Article IV, 4.4.
- **4.7** The Advisory Board shall meet with times and dates to be determined by the Director and the Advisory Board President. The President of the Advisory Board may call special meetings as necessary. Notification will be made in sufficient time to permit member presence.
- **4.8** The Advisory Board shall make administrative recommendations to the Board of Directors concerning the employment of personnel, policy, financial, and any other administrative functions as are deemed necessary for the successful operation of the NESC.
- **4.9** No later than the August meeting of the Board of Directors, the Board President shall appoint a six member Steering Committee from its membership with one alternate member. Membership on the committee will include the Board of

Directors' Chairperson, Vice Chairperson, and a minimum of two members from member districts with enrollments of 400 upward, two with enrollments of 251-399, and two with enrollments of 0-250. The December 1 K-12 enrollments of the previous school year will be used. The committee shall meet at their discretion with dates, time and location of meeting selected by the committee. The committee will review the NESC By-Laws on an annual basis and discuss pertinent NESC issues. The committee will make recommendations and suggest updates to the Board of Directors and Advisory Board. Compensation and mileage reimbursement will be paid by NESC at a rate authorized by the Board of Directors.

ARTICLE V

Means of Finance

- **5.1** The NESC will receive, budget, and expend funds available to it from state, federal, and other sources.
- **5.11** Medicaid billing services for member school districts will be funding by assessing every member school district \$500.00. The remaining program costs will be prorated and assessed to the member districts based on the percentage of Medicaid claims submitted for each school district during the period of January 1 through December 31 of each calendar year.
- 5.2 All program costs not supported by state and/or federal sources, with the exception of the Advisory board members' mileage and the Board of Directors' expenses (to include salary, social security and mileage), will be assessed to the member school districts. Administrative, other Governing board expense, Fiscal Services, Capital Acquisitions, and Contingency costs will be distributed fifty percent (50%) on a membership basis and fifty percent (50%) on a special education child count basis. All other program costs will be funded on a special education child count basis. Non-special education services are provided based on a general fund assessment to member districts on a per pupil basis. Also, for billing purposes, operational and other administrative costs will be allocated to each of the services provided. Member school districts shall make monthly payments. Membership will be defined as equal distribution of costs to each member district. Per pupil basis will be defined by the K-12 enrollment as of December 1 of the prior school year. Special education child count basis will be defined as the total number of students identified as being on an Individual Education Program (IEP) as of December 1 of the prior school year. Member school districts will be responsible for submitting this information to the NESC Business Manager at the time it is collected. This By-Law will be reviewed every three years with the next review being in 2018-2019. Any changes resulting from the review will become effective the ensuing school year. (Adopted 11-16-2009)

5.3 The Center Base Programs will be funded by tuition. Only those school districts with placements in the program will be charged tuition.

A preliminary tuition rate for the ensuing school year will be calculated prior to April 1. The projected number of Center Base students for the ensuing school year will be divided into the proposed budget total to create a per student base rate. Percentages set by the Board of Directors will then be applied to the per student base rate. Example: The first placement will be 130% of the per student base rate; the second placement will be 75% of the per student base rate per placement; and the third placement plus any additional placements will be 50% of the per student base rate per placement. The Board of Directors will determine the percentage rates on an annual basis prior to May 1.

Tuition will be billed to the participating school districts on a monthly basis. The rate of tuition, per placement, will be prorated in eight monthly payments beginning in October. The October billing will include September and October tuition.

On October 1 the tuition rate will be recalculated using the current number of placements in the program and any changes to the program budget. A final tuition rate for the school year will be recalculated again on April 1 and will be based on total program expenses to date and estimated year end expenses. Tuition exceeding program expenditures will be deferred to the following fiscal year and applied to the Center Base tuition for that year.

School districts hosting NESC Center Base Programs will be paid a facility use fee beginning with the 2006/07 school year. The facility use fee will be twenty-five percent (25%) of the current school year's per student general state aid allocation, excluding any one-time money. The facility use fee will be included in the calculation of the per student base rate. NESC will pay the host school districts the facility use fee on a monthly basis.

- 5.4 Non-member school districts requesting to place students in the Center Base Program will be charged the same rate of tuition as the participating member districts plus a fifteen percent (15%) administrative fee. The non-member school district will be responsible for transportation of the student.
- **5.5** Extended school year services and/or evaluation costs will be assessed to the participating school district on a per service basis.
- 5.6 The Professional Development / Curriculum Coordinator Program will be funded based on a per day rate. The per day rate will be calculated based on total program costs divided by the total number of available days of services. Distribution of days to participating districts will be based on number of elementary classroom units and left to the discretion of the Chief Administrators of the participating districts. Decisions concerning participation of additional districts will be made by Chief Administrators of districts currently participating in the program.

- 5.7 The Reading Recovery Teacher Leader Program will be funded based on total program costs divided by the number of participating districts. Two school districts may share up to one FTE Reading Recovery teacher at a rate equal to one school district. Participating districts will be responsible for all costs associated with the Reading Recovery teacher at the local level. Decisions regarding participation of additional schools, distribution of training slots, purchasing of training slots by non-participating districts, and all other pertinent matters will be made at a meeting of the Chief Administrators of the participating districts.
- 5.8 When a new program is initiated through the Cooperative that involves a multiyear staff employment agreement(s), the schools committing to participation will also be committed to financial responsibility for the duration of the employment agreement(s).
- 5.9 If a member school district chooses to provide additional services to students above those prescribed by the NESC evaluation process the school district will pay the additional cost.
- **5.91** The cost of student evaluations from sources other than NESC Staff will be paid by the member district where the student attends school.

ARTICLE VI

Adoption and Amendments

- 6.1 By-Laws may be adopted or amended at any regular or special meeting by a two-thirds (2/3) membership vote of the Board of Directors provided written notice has been submitted to the membership at the previous regular monthly meeting. Proposed amendments may themselves be amended by a majority vote of the Board of Directors at the meeting, provided such amendments do not alter the intent of the proposed amendment as originally submitted. Amendments shall become effective upon passage, unless the amendment stipulated the date it is to become effective.
- 6.2 A policy or procedure can be adopted at any regular or special meeting by a majority vote of the Board of Directors. Any policy or procedure can be waived by a two-thirds (2/3) membership vote of the Board of Directors.

ARTICLE VII

Dispute Resolution

7.1 Disputes arising under this Agreement and these By-Laws shall be referred to the Advisory Board. Any dispute that cannot be resolved by the Advisory Board

- shall be submitted to the Board of Directors. The Board of Directors, by majority vote, shall act upon the dispute.
- **7.2** Should the disposition of a dispute by the Board of Directors not be acceptable to any party, or should the Board of Directors fail to get a majority vote relative thereto, the aggrieved party may appeal the dispute or decision to the Circuit Court pursuant to S.D.C.L.1-26.

ARTICLE VIII

Parliamentary Authority

8.1 The rules contained in the current edition of <u>Parliamentary Procedure At A Glance - New Edition</u> shall govern the NESC in all cases to which they are applicable and in which they are not inconsistent with these By-Laws and any special rules of order the NESC may adopt.

What is Northeast Educational Services Cooperative (NESC)?

- NESC consists of a group of school districts joined together to form an educational service unit authorized under South Dakota Law
- NESC was organized in 1980 with 15 member school districts
- The Cooperative has grown to include 23 member school districts and has expanded to include a variety of special education and other supplemental services
- The 23 member districts include:
 - o Arlington, Britton-Hecla, Castlewood, Clark, DeSmet, Deubrook, Deuel, Elkton, Enemy Swim Day School, Estelline, Florence, Hamlin, Henry, Iroquois, Lake Preston, Rosholt, Sioux Valley, Summit, Waubay, Waverly/South Shore, Webster Area, Willow Lake, Wilmot

Why did NESC form?

- Prior to 1975, education for children with disabilities was not federally regulated
- In 1975, PL 94-142 Education for all Handicapped Children Act (EAHCA) was enacted providing:
 - o Free Appropriate Public Education (FAPE)
 - o Parental/Student Rights
 - Assistance to local education agencies in providing education to students with disabilities
- PL 94-142 has been reauthorized three times and is now known as the IDEIA (Individuals with Disabilities Education Improvement Act), which is based on six key principles:
 - o FAPE for children with disabilities from birth through age 21
 - o Appropriate Evaluation
 - o Individualized Educational Program & Processes
 - o Least Restrictive Environment
 - o Parent & Student Participation
 - o Procedural Safeguards
- NESC exists to support individual member school districts in meeting the requirements of the IDEIA and to provide required services more effectively and efficiently than an individual member district could provide by itself

ARTICLE IV SEXUAL HARASSMENT/HARASSMENT

Each student and employee has the right to learn and work in an environment free of unlawful harassment based on an individual's race, color, religion, creed, ancestry, gender, national origin, disability, age or other basis prohibited by law.

It shall be a violation of this policy for any student or any personnel of the Cooperative to harass a student, any Cooperative personnel, or any visitor through conduct or communication of a sexual nature, or communication disparaging a person's religion, race, color, religion, creed, ancestry, national origin, gender, disability, or age as defined by this policy. For the purpose of this policy, "cooperative personnel" includes NESC Board members, all cooperative employees and agents, volunteers, contractors, or persons subject to the supervision and control of the Cooperative.

The Cooperative will investigate all complaints of harassment and will discipline or take appropriate action against any student or other Cooperative personnel who is found to have violated this policy.

The Cooperative will provide annual in-service education and training about harassment for employees.

A. Definitions

- 1. Harassment: Harassment consists of physical or verbal conduct related to a person's gender, race, color, religion, creed, ancestry, national origin, age, disability, or other basis prohibited by law when the conduct is so severe, pervasive, and objectively offensive that it:

 - c. such conduct or communication has the purpose or effect of interfering with an individual's ability to learn or work, creating an intimidating, hostile, or offensive working or educational environment; or
 - d. such conduct is so severe, pervasive, and objectively offensive that such conduct or communication has the purpose or effect of depriving the employee access to employment opportunities or benefits provided by the Cooperative or depriving a student of educational opportunities.
- 3. Sexual harassment may include but is not limited to:
 - a. unwelcome verbal harassment or abuse based upon gender;

- b. unwelcome pressure for sexual activity;
- unwelcome, gender-motivated, or inappropriate patting, pinching, or physical contact, other than necessary restraint of pupils by teachers, administrators, or other cooperative personnel to avoid physical harm to persons or property;
- d. unwelcome behavior or words, based upon gender, including demands for sexual favors, accompanied by implied or overt threats concerning the individual's employment or educational status;
- e. unwelcome behavior or words, based upon gender, including demands for sexual favors, accompanied by implied or overt promises of preferential treatment with regard to an individual's employment or educational status.
- f. Displaying pictures, posters, calendars, graffiti, objects, promotional materials, reading materials or other materials that are sexually suggestive, sexually demeaning or pornographic, in the work environment.

B. Reporting Incidents of Harassment

Any person who believes he or she has been the victim of harassment as defined above by a student or an employee of the Cooperative shall report the alleged acts immediately to the Cooperative Director. If the complaint involves the NESC Director, the complaint shall be filed directly with the NESC Board of Director's Chairman. The report shall be on a form available from the NESC Offices.

- 1. Submission of a complaint or report of harassment. Submission of a complaint or report of harassment will not affect the individual's employment or work assignments.
- 2. Confidentiality. The Cooperative will make attempts to respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible consistent with the Cooperative's legal obligations and the necessity to investigate allegations of harassment and take disciplinary action when the conduct has occurred.
- 3. Procedure. The complaining employee will be asked to put the facts surrounding the conduct in writing on a form provided by the Cooperative that includes the following: complainant's name and address; time and date of the incident; type of harassment; description of the incident; name of or identifying information about the alleged perpetrator; name of any witnesses, what action, if any, has been taken; and signature of the complainant.
- 4. Required Reporting. If the accusations include possible criminal activity such as molestation, sexual battery, or similar contact, all mandatory state reporting requirements including, but not limited to, contact with the State Department of Social Services will be initiated.

C. Investigation

Upon receipt of a written report alleging harassment, the NESC Director or his/her designee shall immediately authorize investigation. This investigation may be conducted by Cooperative officials or by a third party designated by the Cooperative. The investigating party shall provide a written report of the status of the investigation within (10) working days to the NESC Director.

In determining whether alleged conduct constitutes harassment, the Cooperative should consider the surrounding circumstances, the nature of the advances, relationships between the parties involved, and the context in which the alleged incidents occurred.

The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigating party.

In addition, the Cooperative may take immediate steps at its discretion to protect the complainant, students, and employees pending completion of an investigation of alleged harassment.

During the investigation, all parties directly involved in the complaint may have legal or other representation. If any party elects to be represented at any step of the complaint procedure, the name of the representative must be declared in writing to the NESC Director or his/her designee with two (2) working days of the filing of the complaint, notification of any investigation, or the filing of any appeal.

D. Cooperative Action

- Upon receipt of the recommendation that the allegations of the complaint constitute a violation of Cooperative policy, the Cooperative will take such action as appropriate based upon the results of the investigation.
- 2. The results of the investigation of each complaint will be reported in writing and kept on file in the NESC Director's office. The report shall include findings of fact and will document the disciplinary action taken if any, as a result of the complaint.
- 3. The complainant will be advised of the Cooperative's decision in writing.
- 4. If either party is not satisfied with the decision rendered by the Director, he or she may request a hearing in executive session with the NESC Board of Directors. The request for hearing must be submitted in writing through the NESC Director's Office within ten (10) working days following receipt of the Director's response. The appeal must include the original complaint form, a copy of the written decision from the NESC Director, and a written statement as to the reasons for appeal. The hearing will be scheduled within (30) working days of the request for hearing. The parties involved will be notified in writing of the time and date of the scheduled hearing.
- 5. The Cooperative Board will render a decision in writing within ten (10) working days of the hearing.

E. Prohibition against Retaliation

The NESC Cooperative will discipline any individual who retaliates against any person who reports alleged harassment or who retaliates against any person who testifies, assists, or participates in any investigation, proceeding, or hearing related to a harassment complaint.

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Retaliation is itself a violation of federal and state laws prohibiting discrimination and may lead to separate disciplinary action against an individual.

If any NESC personnel or student who has filed a complaint or has testified, assisted, or participated in the investigation of harassment believes that he or she has been retaliated against because of his or her participation, he or she should follow the procedures set forth above.

F. False Charges

Charges found to have been intentionally dishonest or made maliciously without regard for truth may subject complainants to disciplinary action.

G. Uncomfortable Situations

The Cooperative recognizes that not every uncomfortable situation constitutes harassment. Whether a particular action or incident is a personal, social relationship without a discriminatory effect on

employment or learning environment requires a determination based on all the facts and surrounding circumstances. False accusations can have a serious detrimental effect on innocent parties.

H. Discipline

Any Cooperative action taken pursuant to this policy will be consistent with requirements of applicable collective bargaining agreements and Cooperative policies. The Cooperative will take such disciplinary action it deems necessary and appropriate, including but not limited to, warning, suspension, or immediate discharge to end harassment and prevent its recurrence.

ARTICLE V USE OF ALCOHOL, DRUGS, AND CONTROLLED SUBSTANCES BY EMPLOYEES (DRUG FREE WORKPLACE)

Student and employee safety is a paramount concern to the board. Employees under the influence of alcohol, drugs, or controlled substances are a serious risk to themselves, to students, and to other employees. Therefore, the board will not tolerate the unlawful manufacture, use, possession, sale, distribution or being under the influence of drugs or controlled substances. Nor will the board tolerate the unlawful use of, or being under the influence of, alcohol by an on-duty employee. Any employee who violates this policy will be subject to disciplinary action which may include dismissal. Each employee of the cooperative is hereby notified that, as a condition of employment, the employee must abide by the terms of this policy and will report to the director any criminal drug statute convictions for a violation occurring in or on the premises of this cooperative, or while engaged in regular employment. Such notification must be made by the employee to the director no later than five days after conviction. Within ten (10) days after the director receives such notification in any school district receiving district federal aid the director will report the violation to the United States Department of Education and in all cases report the violation to the State Secretary of Education.

Thirty days after receipt of information concerning a violation of this policy the cooperative will take appropriate disciplinary action which may include termination of employment or may require the employee to participate in drug abuse assistance or rehabilitation programs.

All employees will attend a cooperative The Cooperative will provide a drug-free awareness program at which employees will be informed about the dangers of drug abuse; in the workplace; this policy of maintaining a drug-free workplace; available drug counseling; rehabilitation, and employee assistance programs; and the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

As needed, The Cooperative will inform employees about this policy and the dangers of substance abuse, available substance abuse counseling and rehabilitation, and the penalties for substance abuse violations occurring in the workplace.

The board recognizes that employees who have a drug abuse problem should be encouraged to seek professional assistance. An employee who requests assistance shall be referred to a treatment facility or agency in the community if such a facility or agency is available.

When a staff member has consumed alcoholic beverages or illegal drugs off of school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation may be subject to the same penalties as for possession or consumption on school property.

When Cooperative officials have reasonable suspicion that a violation of this policy has occurred, the employee under suspicion will be required to submit to a test for alcohol and/or illegal drugs. NESC employees must submit to a drug or alcohol test when requested by NESC Administration. A declined test will constitute a failed test.

The Cooperative Board hereby commits itself to a continuing good faith effort to maintain a drug-free workplace.

A copy of this policy shall be given to all present and future employees.

TEMPORARY DISENGAGEMENT

The board recognizes the inadequacies of "crisis action" and the importance of expert legal counsel in the area of dismissal for any employee. In the event of an emergency situation, the employee will be temporarily disengaged by NESC Administration, with pay, from his responsibilities and requested to

await further notice from the administrative office. This action only simplifies one situation so as to maintain a proper environment for learning and in no way imputes contributory involvement to the employee. He/She may be reinstated to their responsibilities when advisable, or may be notified of suspension when investigation so indicates.

SUSPENSION

When contributory involvement is ascertainable, the employee should be suspended by NESC Administration, with pay, pending an executive session hearing before the board and a decision regarding further employment. The employee shall have full opportunity for defense against charges and to face any person who has made allegations. If any representative is to be present, both the employee and the board should be represented for advice concerning legal rights and possible legal outcomes. In the event of civil or criminal litigation, the welfare of the students shall be the only criterion on which continued employment is based.

Immediate dismissal shall be based on the provision of state law. The board shall take this step only on advice of legal counsel or on the basis of affirmative evidence supporting such action by the board.

It shall be the purpose and use of this policy to assist in the improvement of instruction and to determine future employment.

ARTICLE XVIII RESTRAINT AND SECLUSION

SDCL 13-32-20 provides legal authority and a responsibility for the Cooperative to limit the use of restraint and seclusion in its educational programs.

A. Prohibited Restraint and Seclusion

Cooperative employees will not use prone restraint on students, except when doing so is necessary and reasonable and moderate in degree. (Prone restraint is defined as physical pressure applied to any part of the student's body to keep the student in a face-down position on the floor or other surface.)

Cooperative employees will not leave students alone, when they have been involuntarily confined to a room, unless there is a clear and present danger.

B. Notification

Following any incident requiring restraint or seclusion of a student, the Cooperative employee involved must notify NESC Administration. NESC Administration will ensure the parent or guardian of the student affected will also be notified.
