NESC BOARD POLICIES

NORTHEAST EDUCATIONAL SERVICES COOPERATIVE

ARTICLE I CRIMINAL BACKGROUND INVESTIGATION

SDCL 13-10-12 provides the legal authority and requirement for the Cooperative to conduct criminal background investigations.

New employees, contracted providers, volunteers, and individuals who are completing a field experience are subject to a criminal background investigation from the Federal Bureau of Investigation (FBI) and the South Dakota Department of Criminal Investigation (SDDCI). Criminal background investigations from both the FBI and SDDCI will be treated the same under this policy.

This policy does not apply to individuals seeking supervised observation who will not be working directly with children.

A. Disqualifications

Individuals will not be allowed to work or to complete field experiences with any of the following convictions in their criminal history:

- a crime of violence as defined in subdivision SDCL 22-1-2(9) (murder, manslaughter, rape, aggravated assault, riot, robbery, burglary in the first degree, arson, kidnapping, felony sexual contact, felony child abuse, or any other felony in the commission of which the perpetrator used force, or was armed with a dangerous weapon, or used any explosive or destructive device;
- a sex offense as defined in SDCL 22-24B-1 (including but not limited to rape, felony sexual contact with a minor under sixteen, sexual contact with a person incapable of consenting, possessing, manufacturing, or distributing child pornography, and sexual exploitation of a minor);
- or distribution or trafficking in marijuana, narcotics, or any controlled substance.

Additionally, the crime of moral turpitude as defined by SDCL 22-1-2(25) or any other criminal conviction may be treated as a disqualifying record.

B. Appealing a Disqualification

If a person is disqualified from work or a field experience due to the results of criminal background history, the Cooperative shall inform that person about the disqualification.

Once somehow has been notified of a disqualification, that person will have five calendar days to inform NESC Administration of the intent to appeal it. After five calendar days, if NESC Administration has not received notice of intent to appeal, no work or field experience will be approved. If NESC Administration is notified within five calendar days of the intent to appeal or correct a disqualification, that person has a reasonable time, not to exceed 100 calendar days, to rectify any discrepancies on their criminal history. After a reasonable time, not to exceed 100 calendar days, if the disqualification has not been resolved, the work or field experience will not be approved.

If the criminal background report has been amended within 100 calendar days, a new criminal background check will be conducted for verification.

Only one appeal period of 100 calendar days will be allowed.

Individuals may visit the FBI's [portal for Identity History Summary Checks](#) for further information on how to amend criminal history records.

C. Records

NESC personnel with access to criminal history record information (CHRI) shall receive training by SDDCI on the rules and responsibilities for the confidentiality, receipt, use, and dissemination of the CHRI.

Records will be maintained in the Director's office in a locked filing cabinet. Individual CHRI shall be shredded by the Director when the person affected is no longer affiliated with NESC.

Sharing records between educational agencies will be allowed. NESC will request CHRI from another educational agency if the CHRI is no older than five years, written consent is received, and the individual is actively employed by another educational agency.

For student teachers completing field experiences at NESC, a CHRI may be requested from another educational agency in which the student has engaged in student teaching during the same school year.

If NESC receives a request for CHRI from another educational agency, NESC Administration will ask for written authorization, transmit only by mail, and document it in a CHRI exchange log.

Personal CHRI will not be provided to individuals. Individuals wishing to review their own CHRI must request it directly from the FBI.

D. Miscellaneous

The Cooperative Director is the Local Agency Security Officer (LASO). The Cooperative Director also serves as the liaison with SDDCI and is responsible for contacting SDDCI if there has been misuse of CHRI.

At its discretion, NESC Administration may ask for additional criminal background investigations.

Criminal background investigations and associated costs will be paid by the individual subjected to the investigation. Employees who are not disqualified by their CHRI will be reimbursed for the criminal background investigation and associated costs.

ARTICLE II LEAVE POLICY, PARAPROFESSIONAL STAFF

- A. All paraprofessionals employed by Northeast Educational Services Cooperative (NESC) shall be allowed ten (10) days of sick leave of absence or full pay on account of enforced absence by a medical physician to be taken as needed during the school year. If a paraprofessional is claiming sick leave of more than three consecutive days, he/she may be required to provide the Director or Business Manager or the Cooperative Board a physician's statement verifying illness if so requested.
- B. Sick leave may be accumulated to forty (40) days and may be used for sickness of employee and/or immediate family defined as children, step children, or spouse). Up to five sick leave days will be allowed for sickness of other immediate family defined as father, mother, father-in-law, and mother-in-law. Absence from duties because of sickness shall be deducted from the accumulated sick leave regardless whether a substitute teacher is hired. Paraprofessionals are eligible to participate in the paraprofessional staff Sick Leave Bank.
- C. The Sick Leave Bank shall be administered by the Northeast Educational Services Cooperative Director and Business Manager. The Sick Leave Bank can be accessed only after a member has used all of their accumulated leave.
 - 1. Paraprofessionals can draw days from the Sick Leave Bank up to ten (10) days or their respective number of accumulated leave days, whichever is greater, with a maximum of 24 days, per year per individual. Use of the Sick Leave Bank-II.B is limited for sickness of employee and/or immediate family defined as children, step children, husband, and wife.

The maximum number of days an individual can use for parental leave is 12, which count toward the maximum of 24 days per year.

2. All paraprofessionals will contribute one (1) day to the Paraprofessional Sick Leave Bank by September 15th of the current year. Paraprofessionals that do not wish to participate must notify the Business Manager in writing by September 15, and, in doing so, relinquish all rights to present and/or future participation in the Paraprofessional Sick Leave Bank.
 3. Any days granted from the sick leave bank will be paid in June following the completion of the school year. If allowable days requested exceed the number of days in the sick leave bank, the days will be prorated.
- D. In addition, paraprofessionals will be allowed two days of personal leave per year with pay. Personal leave can accumulate up to four days with pay per year. Personal leave exceeding four days will be added to the employee's accumulated sick leave not to exceed the maximum number of days in effect. Personal leave must be approved by the Director. Personal leave should be requested at least one week in advance unless emergency circumstances exist.
- E. Professional Leave: Employees requesting professional leave shall submit their request to the Director a minimum of two (2) weeks prior to such leave. The leave requested will be reviewed on its individual merits and benefits to the Cooperative. In the event a request for professional leave is denied by the Director, the staff will be permitted the option of requesting approval from the Board of Directors.
- F. Any employee called for jury duty during school hours, or who is subpoenaed to testify in a hearing during school hours in a matter in which he is not a named party, shall be granted leave with pay for the days or parts of days such absence is required. Any per diem received for jury or the designated subpoena absence shall be deducted from the regular salary. Such employee shall notify the Director as soon as practical for the necessity for taking jury leave.
- G. A total of three paid days (prorated by FTE) will be allowed for bereavement leave in one contract year. Employees may use available sick leave to extend bereavement by another five days (prorated by FTE) for the death of a child, step-child, a parent, or a spouse. All bereavement leave must be used prior to using any sick leave for bereavement. Employees may not access the sick leave bank for bereavement leave.
- H. Leave of Absence Policy: A staff person may apply to the Board of Directors through the Director for a leave of absence not to exceed one (1) school year. The Board will rule on each application individually.

ARTICLE III MISCELLANEOUS

A. Workers' Compensation (Injury on Duty)

Employees who are injured while performing their job-related duties shall receive such compensation and expense reimbursement as prescribed by the Workers' Compensation Law of South Dakota. The employee must report the job-related injury to the Business Manager within three (3) days and must complete a First Report of Injury form. Employees will be paid regular wages up to the temporary total disability compensation amount (62 2/3%), and may use sick and/or personal leave for the remaining salary amount not to exceed 100%.

Workers' Compensation payments received for the days when regular wages are contained or when sick/personal leave payments are made shall be returned to the Cooperative.

- B. Every staff member in the Northeast Educational Services Cooperative shall have the unabridged right - as do other citizens in the community - to associate himself/herself as a candidate, supporter, worker, or adherent with any legally recognized political party or with any group of citizens engaged in social, or economic welfare of the community. The same rights may be exercised by the educational associations representing teachers in our individual schools or in our school system, even in respect to school board

elections and school revenue issues. It is expected that the exercises of such rights as detailed above will not adversely affect the ability of teachers to carry out the task for which they are employed. It shall be the function of the Director to work out with the Education Association(s) any details concerning the use of school property (such as auditorium) for political activities. Any agreements reached between the Director and the Association(s) representing the employees shall be presented in writing, to the Board of Education for approval.

- C. No Cooperative employee shall be responsible for school district nonacademic duties unless otherwise specified in the contract.
- D. All employees must notify the Cooperative in writing if they are convicted of a crime of violence, a drug or sex offense, or any felony offense. According to SDCL 13-10-15, if as the result of a criminal conviction, the Cooperative suspends an employee without pay, or an employee resigns, or an employee is terminated, the Director shall report the circumstances and the name of the employee to the South Dakota Department of Education within 10 days of the suspension, resignation, or termination.

ARTICLE IV HARASSMENT / SEXUAL HARASSMENT

Each student and employee has the right to learn and work in an environment free of unlawful harassment based on an individual's race, color, religion, creed, ancestry, gender, national origin, disability, age or other basis prohibited by law.

It shall be a violation of this policy for any student or any personnel of the Cooperative to harass a student, any Cooperative personnel, or any visitor through conduct or communication of a sexual nature, or communication disparaging a person's religion, race, color, religion, creed, ancestry, national origin, gender, disability, or age as defined by this policy. For the purpose of this policy, "cooperative personnel" includes NESC Board members, all cooperative employees and agents, volunteers, contractors, or persons subject to the supervision and control of the Cooperative.

The Cooperative will investigate all complaints of harassment and will discipline or take appropriate action against any student or other Cooperative personnel who is found to have violated this policy.

The Cooperative will provide a copy of this policy to all employees.

A. Definitions

1. Harassment: Harassment consists of physical or verbal conduct related to a person's gender, race, color, religion, creed, ancestry, national origin, age, disability, or other basis prohibited by law when the conduct is so severe, pervasive, and objectively offensive that it:
 - a. has the purpose of effecting or creating an intimidating, hostile or offensive working or academic environment;
 - b. has the purpose or effect of substantially or unreasonably interfering with an individual's work performance which deprives the staff member access to employment or academic opportunities.
2. Sexual Harassment: Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:
 - a. A Cooperative employee conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;
 - b. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Cooperative's education program or activity; or
 - c. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34

U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

The Title IX regulations defining sexual harassment and setting forth other Title IX requirements can be found at 34 CFR §106.

3. Harassment and sexual harassment can occur over social media. However, an allegation of sexual harassment only falls within the jurisdiction of Title IX when it occurs within a Cooperative program or activity. (Sexual harassment complaints beyond Title IX jurisdiction can still be reported. They just go to the Director instead of the Title IX Coordinator.)
4. Title IX Coordinator: The Cooperative’s Title IX Coordinator is designated by name during the July board meeting (and is generally the Assistant Director). When a complaint occurs related to discrimination or harassment on the basis of sex, the Title IX Coordinator responds to that complaint by exercising the following duties.
 - a. Assist the complainant in filing a formal complaint (if so desired).
(Formal complaints must be filed by the complainant or a parent filing on behalf of a student complainant, or be signed by the Title IX Coordinator.)
 - b. Provide respondents with written notice about the complaint.
 - c. Offer supportive measures to complainants and respondents, and document such.
(Examples of supportive measures include counseling, extensions of deadlines, schedule modifications, increased supervision, or mutual restrictions on contact between the parties.)
 - d. After review of each Title IX complaint, either dismiss the complaint or arrange an investigation.
(If dismissing the complaint, both parties must be notified of the dismissal in writing, including the reasons for doing so.)
 - e. When the complainant and the respondent are both willing to do so, facilitate an informal resolution of the complaint (unless the allegation is that an employee sexually harassed a student).
(During informal resolution, the parties must receive written notice describing the allegations and informing how resolving that complaint informally precludes any formal complaint based on the same allegations. Informal resolution requires the voluntary, written consent of both parties.)
 - f. Maintain records of Title IX complaints, investigations, remedies, supportive measures, informal resolutions, disciplinary actions, and appeals.

B. Reporting Incidents of Harassment

Any person who believes he or she has been the victim of sexual harassment or who has witnessed sexual harassment shall report that incident to the Cooperative’s Title IX Coordinator.

Any person who believes he or she has been the victim of other (non-Title IX) harassment as defined above by a student or an employee of the Cooperative shall report the alleged acts immediately to the Cooperative Director. If the complaint involves the NESC Director, that complaint shall be filed directly with the NESC Board of Director’s Chairman, who will relay it to the President of NESC’s board of advisors. The form for reporting harassment of any kind is available in the NESC policy manual.

1. Submission of a complaint or report of harassment. Submission of a complaint or report of harassment will not affect the individual’s employment or work assignments.
2. Confidentiality. The Cooperative will make attempts to respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible consistent with the Cooperative’s legal obligations and the necessity to investigate allegations of harassment and take disciplinary action when the conduct has occurred.
3. Procedure. The complaining employee will be asked to put the facts surrounding the conduct in writing on a form provided by the Cooperative that includes the following: complainant’s name and address; time and date of the incident; type of harassment; description of the incident; name of or identifying

information about the alleged perpetrator; name of any witnesses, what action, if any, has been taken; and signature of the complainant.

4. Required Reporting. If the accusations include possible criminal activity such as molestation, sexual battery, or similar contact, all mandatory state reporting requirements including, but not limited to, contact with the State Department of Social Services will be initiated.

C. Investigation

Upon receipt of a written report alleging harassment and determination that the complaint will not be dismissed, the NESC Director or Title IX Coordinator shall immediately authorize investigation. This investigation may be conducted by Cooperative officials or by a third party designated by the Cooperative. The investigating party shall provide a written report of the status of the investigation to the NESC Director.

For Title IX investigations, prior to the release of the investigative report, a tentative report of findings must be sent to the complainant and the respondent (along with their advisors). These parties have 10 days to submit a written response, which the investigator must consider before issuing the final report. After the investigative report is released, the parties have an additional 10 days to submit written responses to the decision-maker before any determination of responsibility.

In determining whether alleged conduct constitutes harassment, the Cooperative should consider the surrounding circumstances, the nature of the advances, relationships between the parties involved, and the context in which the alleged incidents occurred.

The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigating party.

In addition, the Cooperative may take immediate steps at its discretion to protect the complainant, students, and employees pending completion of an investigation of alleged harassment.

During the investigation, all parties directly involved in the complaint may have legal or other representation. If any party elects to be represented at any step of the complaint procedure, the name of the representative must be declared in writing to the NESC Director or his/her designee with two (2) working days of the filing of the complaint, notification of any investigation, or the filing of any appeal.

D. Cooperative Action

1. After considering the results of the harassment investigation, the Cooperative Director will make a determination of responsibility.

For complaints of sexual harassment, the standard of evidence used for determining responsibility will be the preponderance of evidence standard.

2. The complainant and respondent will be advised of the Director's decision in writing. This decision must communicate the procedural steps taken, any findings of fact, and a determination of responsibility – for each allegation. The decision must also document the sanctions or remedies for each allegation.
3. If either party is not satisfied with the decision rendered by the Director, he or she may request an appeal hearing in executive session with the NESC Board of Directors. The request for hearing must be submitted in writing through the NESC Director's Office within ten (10) working days following receipt of the Director's response. The appeal must include the original complaint form, a copy of the written decision from the NESC Director, and a written statement as to the reasons for appeal. The hearing will be scheduled within (30) working days of the request for hearing. The parties involved will be notified in writing of the time and date of the scheduled hearing. Title IX harassment determinations may only be appealed on the basis of the following circumstances.

- a. procedural irregularity
- b. new evidence not reasonably available
- c. conflict of interest against Title IX Coordinator, investigator, or decisionmaker

4. The Cooperative Board will render an appeal decision in writing within ten (10) working days of the hearing.

E. Procedures during Conflicts of Interest

To minimize conflicts of interest, the decisionmaker must not be the investigator or the Title IX Coordinator. With that in mind, if an allegation of sexual harassment involves the Title IX Coordinator, the Director will exercise the Title IX Coordinator's duties.

If the Director has assumed the Title IX Coordinator's duties or is the subject of a harassment complaint, then any determinations of responsibility must be made by the Board of Advisors.

The NESC Board of Directors reserves its role for the appeals process and may appoint a representative to exercise that role.

F. Prohibition against Retaliation

The NESC Cooperative will discipline any individual who retaliates against any person who reports alleged harassment or who retaliates against any person who testifies, assists, or participates in any investigation, proceeding, or hearing related to a harassment complaint.

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Retaliation is itself a violation of federal and state laws prohibiting discrimination and may lead to separate disciplinary action against an individual.

If any NESC personnel or student who has filed a complaint or has testified, assisted, or participated in the investigation of harassment believes that he or she has been retaliated against because of his or her participation, he or she should follow the procedures set forth above.

G. False Charges

Charges found to have been intentionally dishonest or made maliciously without regard for truth may subject complainants to disciplinary action.

H. Uncomfortable Situations

The Cooperative recognizes that not every uncomfortable situation constitutes harassment. Whether a particular action or incident is a personal, social relationship without a discriminatory effect on employment or learning environment requires a determination based on all the facts and surrounding circumstances. False accusations can have a serious detrimental effect on innocent parties.

I. Discipline

Any Cooperative action taken pursuant to this policy will be consistent with requirements of applicable collective bargaining agreements and Cooperative policies. The Cooperative will take such disciplinary action it deems necessary and appropriate, including but not limited to, warning, suspension, or immediate discharge to end harassment and prevent its recurrence.

Written Notice of Title IX Rights

You have become the subject of a Title IX (sexual harassment) complaint, the details of which are attached. These allegations need to be investigated, after which a determination of responsibility will be issued. If you are found to be responsible for sexual harassment, then you will face disciplinary sanctions.

However, at this time you are presumed not to be responsible for any allegations. Final responsibility will not be determined until later, following investigation and (if applicable) the grievance process. In the meantime, as the respondent to a Title IX complaint, you have the following rights.

- You have the right to detailed notice of the allegations, including the following.
 - names of known parties
 - conduct alleged
 - date and location of conduct (if known).
- You have the right to have an attorney or non-attorney advisor.
- You have the right to prepare a response prior to any initial interview.
- You have the right to inspect and review evidence against you.
- You have the right to resolve an allegation informally, if you and the complainant would both agree to do so.
- If any new allegations would be uncovered during the course of investigation, you also have these rights with respect to the new allegations.
- You have the right to appeal the determination of responsibility for these reasons.
 - procedural irregularity
 - new evidence not reasonably available
 - conflict of interest against Title IX Coordinator, investigator, or decisionmaker

ARTICLE V DRUG AND ALCOHOL POLICY

Student and employee safety is a paramount concern to the board. Employees under the influence of alcohol, drugs, or controlled substances are a serious risk to themselves, to students, and to other employees. Therefore, the board will not tolerate the unlawful manufacture, use, possession, sale, distribution or being under the influence of drugs or controlled substances. Nor will the board tolerate the unlawful use of, or being under the influence of, alcohol by an on-duty employee. Any employee who violates this policy will be subject to disciplinary action which may include dismissal. Each employee of the cooperative is hereby notified that, as a condition of employment, the employee must abide by the terms of this policy and will report to the director any criminal drug statute convictions for a violation occurring in or on the premises of this cooperative, or while engaged in regular employment. Such notification must be made by the employee to the director no later than five days after conviction. Within ten (10) days after the director receives such notification in any school district receiving district federal aid the director will report the violation to the United States Department of Education and in all cases report the violation to the State Secretary of Education.

Thirty days after receipt of information concerning a violation of this policy the cooperative will take appropriate disciplinary action which may include termination of employment or may require the employee to participate in drug abuse assistance or rehabilitation programs.

The Cooperative will inform employees about this policy and the dangers of substance abuse, available substance abuse counseling and rehabilitation, and the penalties for substance abuse violations occurring in the workplace.

The board recognizes that employees who have a drug abuse problem should be encouraged to seek professional assistance. An employee who requests assistance shall be referred to a treatment facility or agency in the community if such a facility or agency is available.

When a staff member has consumed alcoholic beverages or illegal drugs off of school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation may be subject to the same penalties as for possession or consumption on school property.

When Cooperative officials have reasonable suspicion that a violation of this policy has occurred, the employee under suspicion will be required to submit to a test for alcohol and/or illegal drugs. NESC employees must submit to a drug or alcohol test when requested by NESC Administration. A declined test will constitute a failed test.

The Cooperative Board hereby commits itself to a continuing good faith effort to maintain a drug-free workplace.

A copy of this policy shall be given to all employees.

TEMPORARY DISENGAGEMENT

The board recognizes the inadequacies of "crisis action" and the importance of expert legal counsel in the area of dismissal for any employee. In the event of an emergency situation, the employee will be temporarily disengaged by NESC Administration, with pay, from his responsibilities and requested to await further notice from the administrative office. This action only simplifies one situation so as to maintain a proper environment for learning and in no way imputes contributory involvement to the employee. He/She may be reinstated to their responsibilities when advisable, or may be notified of suspension when investigation so indicates.

SUSPENSION

When contributory involvement is ascertainable, the employee should be suspended by NESC Administration, with pay, pending an executive session hearing before the board and a decision regarding further employment. The employee shall have full opportunity for defense against charges and to face any person who has made allegations. If any representative is to be present, both the employee and the board should be represented for advice concerning legal rights and possible legal outcomes. In the event of civil or criminal litigation, the welfare of the students shall be the only criterion on which continued employment is based.

Immediate dismissal shall be based on the provision of state law. The board shall take this step only on advice of legal counsel or on the basis of affirmative evidence supporting such action by the board.

It shall be the purpose and use of this policy to assist in the improvement of instruction and to determine future employment.

ARTICLE VI ACCEPTABLE USE POLICY

Employees may not use technology in a way that undermines attentiveness to students.

NESC Information Technology

Any computer, networking device, telephone, copier, printer, fax machine, or other information technology which

1. is owned by NESC or
2. is licensed or leased by NESC or
3. is owned or leased by member school districts and used by NESC employees is subject to NESC policies.

In addition, any information technology which

1. connects directly to NESC data or telephone networks, or
2. connects directly to a computer or other device owned or operated by NESC, and/or
3. otherwise uses or affects NESC information-technology facilities is subject to NESC information-technology policies.

In addition, employees will be required to adhere to any NESC member districts' acceptable use policy as well.

Restricted Applications

Restricted applications of NESC's information technology primarily include but are not limited to:

1. threatening NESC's tax-exempt status, such as certain kinds of political activity and most commercial activity,
2. illegal acts, such as fraud, harassment, copyright violation, and child pornography,
3. depriving other users of their fair share of NESC information technology or interfere with the functioning of central networks and systems, such as mass mailings, and chain letters
4. violating NESC by-laws or policies
5. sending or displaying offensive messages or pictures
6. using obscene language
7. insulting or attacking others
8. engaging in practices that threaten the network (e.g., loading files that may introduce a virus)
9. violating copyright laws
10. using others' passwords without permission
11. trespassing in others' folders, documents, or files
12. intentionally wasting limited resources
13. employing the network for sale of personal items

Disclaimers do not render restricted applications acceptable. The only recourse available to someone interested in such applications is to use non-NESC computers, networks, and other technologies.

Procedures

When any use of information technology at NESC presents an imminent threat to other users or to the NESC's technology infrastructure, system operators may take whatever steps are necessary to isolate the threat, without notice if circumstances so require. This may include changing passwords, locking files, disabling computers, or disconnecting specific devices or entire sub-networks from NESC, regional, or national voice and data networks. System operators will restore connectivity and functionality as soon as possible after they identify and neutralize the threat.

Telephones, computers, network connections, accounts, usernames, authorization codes, and passwords are issued to identify them as eligible users of NESC information technology. Users are responsible for not sharing their privileges with others, and especially for ensuring that authorization codes and passwords remain confidential. Users of computers connected to the NESC network, permanently or temporarily, are responsible for ensuring that unauthorized users do not thereby gain access to the NESC network or to licensed resources.

Use of information technology that violates this policy and rules based on it may result in disciplinary proceedings and, in some cases, in legal action.

Sanctions

Preliminary determination:

ARTICLE VIII FAMILY & MEDICAL LEAVE

The Northeast Educational Services Cooperative (NESC) will provide Family and Medical Leave Act of 1993 ("FMLA") to its eligible employees. The NESC will comply with the provisions of the FMLA.

The FMLA provides eligible employees up to twelve (12) weeks (or up to twenty six (26) weeks of military caregiver leave) of unpaid, job-protected leave during a 12-month period, measured on a rolling twelve (12) month calendar.

Eligibility. In order to be eligible for FMLA, an employee must have:

- (1) been employed by NESC for at least a total of twelve (12) months, and

(2) worked at least 1,250 hours in the twelve (12) months immediately preceding the start of the leave.

The 1,250 hour requirement does not include using paid leave or unpaid leave.

Leave Entitlements. Eligible employees may take FMLA for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered service member's spouse, child, parent, or next of kin may also take up to twenty six (26) weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Concurrent Leave. Any leave taken by an eligible employee that qualifies under the FMLA will be designated as such. FMLA approved leave shall occur concurrently with any/all applicable paid leave policies granted pursuant to the employee's respective working agreement or leave entitlements.

Notice to NESC. An employee should inform his/her supervisor of the need for FMLA at least thirty (30) days in advance of the anticipated start date of the leave if the need for leave is foreseeable. If the need for leave is not foreseeable, the employee should follow normal call-in procedures detailed in the employee's work agreement. Employees must provide enough information so that NESC can determine that the requested leave qualifies for FMLA protection.

Eligibility Notice and Rights and Responsibilities. Once NESC becomes aware that an employee's need for leave is a reason that may qualify under the FMLA, NESC will notify the employee if they are eligible for FMLA. A Notice of Rights and Responsibilities will be provided to eligible employees. Where necessary, a Medical Certification form may need to be completed by the employee.

Medical Certification. When requested, the employee must have its health care provider (or family member's health care provider) complete a Medical Certification and return it to NESC within fifteen (15) days. If the medical certification is filled out incorrectly or not filled out completely, NESC may request that the employee have the medical provider cure the deficiency. NESC may request a second opinion if it has reason to doubt the certification. Failure to provide certification may result in a denial of continuation of leave.

Designation Notice. NESC will provide the employee with a Designation Notice, detailing whether the leave qualifies under the FMLA and, if it qualifies, how much leave will be counted against the employee's FMLA entitlement.

Health Benefits. NESC will continue the employee's health benefits during the leave period at the same level and under the same conditions as if the employee had continued to work. The employee will continue to be responsible for its share of the health insurance premiums. In the event an employee fails return to

work after using FMLA, NESC may require the employee to reimburse the NESC for the amount it paid for the employee's health insurance premium during the leave period.

Job Restoration. Upon return from FMLA, most employees must be restored to the same job or one nearly identical to it, with equivalent pay, benefits, and other employment terms and conditions.

Fitness for Duty. NESC may require an employee returning from FMLA to complete a fitness for duty examination before returning to work.

Updates. NESC may require employees to provide periodic updates on the employee's status and their intent to return to work.

The NESC will not interfere with, restrain, or deny the exercise of any right provided by the FMLA and will not discharge or discriminate against any employee for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or related to the FMLA.

While on paid leave, the employer will continue to make payroll deductions to collect the employee's share of the insurance premiums. While on unpaid leave, the employee must continue to make this payment, either in person or by mail. The payment must be received in the Business Office by the 30th day of each month. If the payment is more than (30) days late, the employee's health care coverage may be dropped for the duration of the leave. The Cooperative will provide fifteen (15) days' notification prior to the employee's loss of coverage.

ARTICLE IX LIFE-SUSTAINING EMERGENCY CARE PROCEDURE

NESC center-base staff members responsibilities include the provision of life-sustaining emergency care. They shall take all reasonable steps to provide such care to NESC center-based students on school grounds in need of life-sustaining emergency care, and they shall attempt to contact an ambulance in accordance with regular school / NESC policies to secure the speedy transportation of the student to hospital facilities.

For purposes of this policy, "life-sustaining emergency care" means any procedure or intervention applied by NESC center-based staff that may prevent a student from dying who, without such procedure or intervention, faces a risk of imminent death. Examples of life sustaining emergency care may include: efforts to stop bleeding, unlocking airways, mouth-to-mouth resuscitation, and card-pulmonary resuscitation ("CPR").

ARTICLE X ADMINISTRATION OF MEDICATIONS

When appropriate, Northeast Educational Services Cooperative staff will assist students with self-administration of medication according to the following requirements:

ITEM A:

This policy applies only to students directly assigned to NESC (Example: Center-Base students). NESC staff are not to become involved in the administration of medication to students not directly assigned to NESC.

ITEM B: DEFINITIONS

1. Assistance with self-administration of medications:

The term "assistance with self-administration of medications" means helping a client with one or more steps in the process of taking medications, but not actual administration of medications. Assistance with self-administration of medications may include opening the medication container, reminding the client of the proper time to take the medication, helping to remove the medication from the container, and returning the medication container to proper storage. The person should have some informal training to ensure he/she feels comfortable in the role.

2. Administration of medications:

The administration of medications is a nursing function. The steps in medication administration entail removing an individual dose from a previously dispensed, labeled container, including a unit dose container; verifying it with the physician's order; giving the individual dose to the client for which it is prescribed; and promptly recording the time and dose given.

ITEM C: ADMINISTRATION OF MEDICATIONS

Northeast Educational Services Cooperative staff do not participate in the administration of medications unless appropriate training as required by SDCL 13-33A and Board of Nursing administrative rules has been provided.

ITEM D: REQUIREMENTS FOR SELF-ADMINISTRATION OF MEDICATION

1. The NESC Director or Assistant Director have been informed of a request for student assistance with medication.
2. A letter is distributed to the parent or guardian of each student.
3. The form, "Parent/Guardian Authorization for Assistance with Self-Administration of Medications," has been fully completed.
4. The "Medication Observation Daily Log" must be maintained by the NESC staff for each student with each medication.
5. All medications to be supervised by school personnel are kept in a securely locked area.
6. Parents/Guardians may retrieve the medication from the school at any time.
7. No more than a thirty-day supply of the medication for a student is to be stored at the school.
8. All unused, discontinued or outdated medications are to be returned to the parent or guardian and appropriately documented. All medications are to be returned to parents or guardians at the end of the school year.
9. NESC staff will notify parents or guardians of any side effects, variations from the plan, or the student's refusal or failure to take the medication.
10. Medication errors will be documented by NESC staff using the "Medication Report Error" form.
11. This policy and outlined procedures also apply concerning over-the-counter medications.

ITEM E:

All procedures included in this policy apply to circumstances involving the administration of medication. In these cases the "Parent / Guardian Authorization for Administration of Medications" form is required in place of item three under self-administration.

ADMINISTRATION OF MEDICATIONS

FORMS

Dear Parent / Guardian:

We would like to inform you of the policies that have been put in place to ensure the health and safety of children needing medication, (including over-the-counter such as Tylenol) during the school day.

Our school district requires that the following forms must be on file in your child's health record before we begin to give any medication at school:

1. Signed consent by the parent or guardian to give medicine.
2. Signed Medication Record.

Medications must be delivered to the school in a pharmacy or manufacturer-labeled container by you or a responsible adult whom you designate. Please ask your pharmacy to provide separate bottles for school and home. No more than a thirty-day supply of the medicine is to be delivered to the school.

When your child needs a medication to be given during the school day, please act quickly to follow these policies so we may begin to give the medication as soon as possible. Thank you for your help.

Sincerely Yours,

School Personnel

ARTICLE XI REPORTING CHILD ABUSE

Because of their regular contact with school-age children, school employees are in an excellent position to identify abused or neglected children.

To comply with the law (SDCL 26-8A-7) it is the policy of the Northeast Educational Services Cooperative that any staff or other coop employee who suspects that a child under 18 years of age has been neglected or physically abused (including sexual or emotional abuse) by any person including parent or other person, other than by accidental means, shall report orally or in writing to the principal, superintendent, or director who shall then immediately report to the states attorney of that county or to the Department of Social Services or to the county sheriff or to the city police. The principal, superintendent or director shall inform the coop employee initiating the action within 24 hours and in writing that the report has been made. The employees shall make the report directly to the proper authorities if the principal, superintendent or director fails to do so.

The report shall contain the following information: Name, address of parent or caretaker; nature and extent of injuries or description of neglect; any other information that might help establish the cause of injuries or condition.

Coop employees, including administrators shall not contact the child's family or any other persons to determine the cause of the suspected abuse or neglect. It is not the responsibility of the coop employees to prove that the child has been abused or neglected, or to determine whether the child is in need of protection, only to report his or her suspicions of abuse or neglect.

Any personal interview or physical inspection of the child should be conducted in considerate, professional manner and information or records concerning reports of suspected abuse or neglect are confidential and the release to persons other than provided by law (SDCL 26-8A-8) is punishable by \$1,000 fine, one year in jail or both (SDCL 26-8A-13 and 22-6-2). Failure to make a report where abuse or neglect is suspected is subject to the same punishment (SDCL 26-8A-3).

Anyone who participates in making a report in accordance with the law and in good faith is immune from any civil or criminal liability that may otherwise arise from the reporting or from any resulting judicial proceeding even if the suspicion is proved to be unfounded (SDCL 26-8A-14 and 26-8A-15).

Copies of this policy shall be distributed by the Director or his designee to all coop employees at the beginning of each school term and to new employees when they begin employment if at a different time than the beginning of the school term.

The Board will support any employee making a report of suspected child abuse or neglect until and unless it is determined that the employee was acting in bad faith in making the report.

ARTICLE XII BUSINESS CREDIT CARD POLICY

The Director and Business Manager are authorized to obtain credit cards in the Cooperative's name for the purpose of purchasing items and services that are coop related.

The total line of credit shall not exceed \$15,000. The Director and Business Manager are authorized to administer the credit card usage by administration and staff. Credit Cards are to be used for the following:

1. Travel costs - airline tickets, registration fees, vehicle rental, and lodging (meals are not to be purchased with credit cards).

2. Purchase of materials, supplies or equipment when the Business Manager or Director provides prior authorization.
3. Emergency purchases for coop-related items when there is insufficient time to follow regular purchase procedures.
4. On-line/internet purchases or registration where a credit card is required, and the purchase is authorized by the Business Manager or Director.

Individuals making purchases as outlined above are required to submit invoices and other such documentation as the Business Office may require prior to the credit card bill being paid to allow for proper expense coding.

The Board and NESC Administration have the authority to revoke use of any credit card if use becomes other than for which it was originally intended. If the Board or Administration revokes use of a card, the Business Manager or Director shall cancel the card the next business day after the Board of Directors meeting the card was voted to be revoked. Documentation of the cancelled card shall be presented at the following Board of Directors meeting.

ARTICLE XIII FLEET CREDIT CARD POLICY

The Director and Business Manager are authorized to obtain and distribute fleet cards to NESC employees. The line of credit on these cards shall not exceed \$250 per day. The Director and Business Manager are authorized to administer the fleet card usage by Administration and other NESC employees. Fleet Cards are to be used for the following:

1. Purchase of gasoline for Northeast Educational Services Cooperative vehicles.
2. Purchase of oil changes and other routine maintenance.
3. Fleet Cards will only be distributed to employees with a Cooperative vehicle or at the discretion of the Director and Business Manager.
4. Absolutely no purchases of any kind may be used for NESC staff's personal vehicles.
5. Employees that return their Cooperative issued vehicles at the end of the school year will also return their fleet card. They will be re-issued the fleet card when they are re-issued a Cooperative vehicle at the start of the next school year.

Individuals making purchases as outlined above are required to submit all receipts and invoices, along with his or her mileage log, that will note the price per gallon, gallons purchased, and total purchase amount the day a transaction is made. The Business Office will require the documentation prior to the credit card bill being paid, to allow for proper expense coding.

The Board and NESC Administration have the authority to revoke use of any fleet card if use becomes other than for which it was originally intended. If the Board revokes use of a card, the Business Manager shall cancel the card the next business day after the Board of Directors meeting. The card voted to be revoked will be obtained from the employee or employees. If Administration revokes use of a fleet card, they will notify the Board of Directors at the next meeting. Documentation of the cancelled card shall be presented in any case at the subsequent Board of Directors meeting.

ARTICLE XIV NON-FIXED ASSET INVENTORY

An inventory of non-consumable supplies and equipment that has a value greater than or equal to \$25.00 will be kept and tracked by the business office. Inventory will be categorized by the employee that possesses the item or storage. To ensure accuracy, a written request must be made before anything is transferred between employees, from storage, or to storage. At the end of each fiscal year a listing will be

sent to each employee to review for accuracy. Any supplies that are obsolete, broken, missing, or no longer usable will be declared surplus at the June Board of Directors meeting and then disposed of.

ARTICLE XV CONFLICT OF INTEREST – COOPERATIVE OFFICIAL

This policy requires Cooperative Officials to disclose interests in, or direct benefits from, any Cooperative contract, when the amount of interest or benefit is more than \$5,000 within a 12-month period. Additionally, such direct benefits are prohibited unless the board authorizes a waiver.

DEFINITIONS:

1. "Cooperative Official" refers to a cooperative board member, business manager, director, or other person with the authority to enter into a contract or spend money in an amount greater than \$5,000.
2. "Interest in a contract" is when a Cooperative Official, the spouse of a Cooperative Official, or any other person with whom the Cooperative Official lives and commingles assets
 - a. is employed by a party of any contract with the cooperative; or
 - b. receives more than nominal compensation or reimbursement for actual expenses for serving on the board of directors of an entity that derives income or commission directly from the contract or acquires property under the contract.
3. "Direct benefit from a contract" is when a Cooperative Official, the spouse of a Cooperative Official or any other person with whom the Cooperative Official lives and commingles assets
 - a. is a party to or intended beneficiary of the contract between the cooperative and a third party;
 - b. has more than a five percent ownership interest in an entity that is a party of the Cooperative contract;
 - c. acquires property under the contract with the Cooperative; or
 - d. receives compensation, commission, promotion, or other monetary benefit directly from the contract.

EXCEPTIONS:

If any of the following apply, disclosure (and authorization, if a direct benefit) is not required:

1. when the person's relationship to the contract is based solely on the value associated with the person's publicly-traded investments or holdings;
2. when the person's relationship to the contract is due to participating in a vote or a decision in which the person's only interest arises from an act of general application;
3. when the person does not receive compensation or a promotion directly attributable to the contract and is not employed in an area related to the contract;
4. when the contract is for the sale of goods or services, or for maintenance or repair services, in the regular course of business at or below a price offered to all customers;
5. when the contract is subject to a public bidding process;
6. when the contract is with the official depository as set forth in SDCL 6-1-3;
7. when the person only receives nominal income or compensation, a per diem authorized by law, or reimbursement for actual expenses incurred; or

8. when the contract or multiple contracts with the same party within a twelve-month period with whom the cooperative contracts in an amount less than five thousand dollars.

DISCLOSURE REQUIREMENT:

Cooperative Officials must disclose any interests and direct benefits received from contracts. However, waivers are only required for authorizing direct benefits. (Mere interests in a contract do not require board authorization.)

Conflicts of interest which extend into consecutive fiscal years must also be disclosed at the annual reorganization meeting.

All conflict of interest disclosures must be documented in the official board minutes.

BASIS FOR A WAIVER:

A waiver may be granted by the board to authorize Cooperative Officials to receive a direct benefit from the Cooperative's contract with a person or entity (public, private, for-profit, non-profit) if the following conditions are met:

1. That person provides a full written disclosure to the board. Written disclosure must include the following information.
 - a. all parties to the contract
 - b. the Cooperative Official's role in the contract
 - c. the purpose or objective of the contract
 - d. the consideration or benefit agreed to be conferred upon each party
 - e. the duration of the contract
2. To the extent that circumstances allow, disclosure must be given prior to entering into any contract that requires a waiver. If circumstances do not permit disclosure prior to entering into the contract, then the details must be disclosed within forty-five days after entering into it. If the contract extends into consecutive fiscal years, then disclosure shall also be made at the annual board meeting.
3. The board determined that the transaction and terms of the contract are fair and reasonable and not contrary to the public interest.

The public records laws (SDCL Ch. 1-27) apply to all requests for a waiver.

BOARD ACTION ON A REQUEST FOR WAIVER:

1. The Cooperative will have an agenda item at the beginning of each board meeting agenda when the board will address conflict of interest disclosures and requests for a waiver.
2. Disclosures and requests for a waiver submitted before the conflict of interest agenda item is acted on will receive action during the scheduled meeting.
3. Disclosures and requests received after the conflict of interest agenda item has been acted on will be deferred to the next scheduled meeting.
4. If the board believes the request form information is incomplete, the board must ask the person requesting the waiver for additional information. The board may receive the needed information from the requesting party at the board meeting when the waiver request is being addressed.
5. When considering a waiver request, the school should be able to determine the requesting party's relationship to the contract, the requesting party's relationship to the outside contracting party, whether

the contract terms are reasonable and in the public interest, and any other factors the board believes will help establish the relevant facts and circumstances surrounding the contract (s) and the request for waiver.

6. At the meeting when the waiver request will be considered by the board, the Cooperative Official submitting the waiver request should be present and prepared to answer questions from the board.
7. The request and the Board's determination must be included in the minutes of the meeting.
8. If the authorization is granted, a written authorization shall be prepared following the meeting and signed by the President/Chair of the Board or other authorized Board Member, and filed with the Auditor General.

MISCELLANEOUS:

1. Knowingly violating the conflict of interest laws set forth in SDCL 3-23 is a criminal act. Cooperative Officials who do so will be removed from office or employment and are disqualified from holding any public office, elective or appointive. Additionally, any contract made in violation of this policy may be voided by the board of directors, and any benefits gained thereby are subject to forfeiture.
2. The cooperative attorney may answer general questions about the applicability of SDCL Ch. 3-23 or about the other laws that address conflicts of interest. However, the cooperative attorney represents the cooperative and its board of directors, not Cooperative Officials in their individual capacities. Cooperative Officials should consult with their private attorneys if they have specific questions as to how conflict of interest laws and this policy apply to their individual interests and contracts.
