NORTHEAST EDUCATIONAL SERVICES COOPERATIVE
JOB DESCRIPTION FOR
SPEECH-LANGUAGE PATHOLOGIST

I. Background Information

Speech-language pathologists (SLPs) work to prevent, assess, diagnose, and treat speech, language, social communication, cognitive-communication, and swallowing disorders in children and adults. Additionally they provide aural rehabilitation for individuals who are deaf or hard of hearing and implement augmentative and alternative communication (AAC) systems for individuals with severe disorders.

The responsibilities of educationally-based SLPs have been influenced by special education law – the key provision for their funding. Therefore school-based SLPs must focus on remediating a student's impairment only to the point that it no longer interferes with educational performance.

This position is an academic year contract with extra work paid additionally throughout the summer to complete Child Find, Birth to 3, and Extended School Year (ESY) duties.

II. Professional Responsibilities

- A. Conduct universal hearing screenings.
- B. Participate in developmental screenings.
- C. Serve as a Child Find contact on behalf of member school districts, documenting new referrals, communicating with the LEA, and responding on the LEA's behalf appropriately.
- D. Administer professional evaluations and generate the related reports.
- E. Guide eligibility decisions and help prepare the eligibility determination document when the category of disability in question is Speech-Language Impairment (550), Deafness (545), or Hearing Loss (515).
- F. Diagnose and remediate impairments in speech-language areas (articulation, language, voice, and fluency), linking instructional activities to program goals.
- G. Deliver special education services in the least restrictive environment to the maximum extent appropriate.
- H. Model, teach, and counsel parents and teachers regarding how to promote growth in communication and independence for the child.
- I. Write Individualized Education Programs (IEPs) and the associated paperwork for children eligible for special education, based on individual needs.
- J. Contribute to the development of Individual Family Service Plans (IFSPs).
- K. Maintain special education records in accordance with State requirements and the practices of member school districts.
- L. Create and update a schedule of services, keeping the stakeholders notified.
- M. Prepare information for Indicator 11 and 12 for one's own caseload.
- N. Transmit calendars, schedules, caseloads, Medicaid logs, vehicle mileage logs, evaluation data, indicators, and inventory reports when requested.
- O. Supervise speech-language pathology assistants.
- P. Perform other, reasonably-related duties as assigned.

III. Qualifications

A. Education

SLPs who held a speech-language pathologist certificate from the South Dakota Department of Education as of July 1, 2012 must have at least a bachelor's degree in speech pathology from an accredited college or university. Otherwise SLPs must hold a master's or a doctoral degree from an institution accredited by the accrediting agency of ASHA and approved by the United States Department of Education.

B. Certification

SLPs must be licensed to practice speech-language pathology by the South Dakota Board of Examiners for Speech-Language Pathology.

C. Experience

Successful experience as a speech-language pathologist is preferred but not required.

CRIMINAL BACKGROUND CHECK

Have you ever been arrested or convicted of any crime, other than minor traffic offenses? Yes
(If yes, explain in detail on a separate sheet of paper.) No
